AMENDED IN ASSEMBLY APRIL 9, 2007

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 485

Introduced by Assembly Member Solorio

February 20, 2007

An act to amend Section 56366.4 of the Education Code, relating to special education.

LEGISLATIVE COUNSEL'S DIGEST

AB 485, as amended, Solorio. Special education: nonpublic, nonsectarian schools and agencies: certification revocation.

Existing law sets forth a method for providing special education and related services to pupils with exceptional needs. Existing law also permits, under certain circumstances, contracts to be entered for the provision of those services by nonpublic, nonsectarian schools or agencies, as defined. Existing law authorizes a master contract for special education and related services provided by a nonpublic, nonsectarian school or agency only if the school or agency has been certified by the Superintendent of Public Instruction as meeting specified standards. Existing law authorizes the Superintendent to revoke or suspend the certification of a nonpublic, nonsectarian school or agency for any of specified reasons.

This bill would prohibit a nonpublic, nonsectarian school or agency whose certification has been revoked, and certain other—persons administrators and entities involved with the school or agency, from being eligible to apply for recertification for 2 years from the revocation date. The bill would require a local educational agency that is aware that a nonpublic, nonsectarian school or agency has violated the certification requirements immediately to contact the State Department

of Education and report this information. To the extent this bill would impose additional duties on local educational agencies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes-no.
